TO WHOM SO EVER IT MAY CONCERN

We hereby certify that M/s. Metro Infrasy Pvt Ltd have completed the Project for Electronic Toll Collection Systems at our Navayuga Devanahalli Tollway Pvt Ltd. We are pleased with quality of service & system performance provided by them.

We sincerely appreciate the responsiveness and the way they completed the project installation work with excellent quality, high degree of efficiency and within the stipulated time limits.

We are happy with the software they have designed, hardware they have installed and the accuracy of the systems.

We take this opportunity to thank Metro's site tem for their dedicated team work to complete the work within a short time & also their Software team for delivery the changes in systems on time.

Based on their performance we have awarded them the work for Electronics Toll Systems for our Navayuga Dichpally Tollway Pvt Ltd Project

We look forward to our continued association in future projects as well.
